International Conference for Healthy Aging and Nutrition

Date: November 08-09, 2024

Venue: International Conference Hall, Zhunan Campus, National Health Research Institute, Taiwan

Address: 35, Keyan Road, Zhunan Town, Miaoli County, Taiwan

< Day 1: Fri. Nov. 08, 2024>

		\ Day 1.111.1	,,		
Time		Topic	Speaker		
09:30 - 10:00		Welcome Speech			
03.30 10.00	Time for Photos				
	Moderator:				
Keynote Speech (1)		Wei J. Chen(陳為堅)		*	
			alth Research Institutes, Taiwan		
10:00 - 11:00	Appetite in the Context of the Integrated		Philipe de Souto Barreto		
	Care for Older People Program: Data from the Toulouse Real-life Implementation		Professor, Université Paul Sabatier Toulouse 3, Toulouse University Hospital, IHU HealthAge, France		
11:00 - 13:00	Oral and Poster Competition / Lunch				
11.00 - 13.00		Moderators:			
		Hidenori Arai(荒井 秀典)			
Sessio	on I	· ·			
Nutrition Inter		President, National Center for Geriatric and Gerontology, Japan			
Geriatric syndrome		Ching jang Huang (黃青真)		*	
		Professor Emeritus, Department of Biochemical Science & Technology, College of Life Science, National Taiwan University, Taiwan			
	Nutritional in	nterventions for the prevention	Wee Shiong Lim		
13:00 - 13:30		ment of sarcopenic obesity: An	Director, Institute of Geriatrics and Active Aging,	©	
	_	dence-based approach	Tan Tock Seng Hospital, Singapore		
	Nutritional Interventions in the Community to Reverse Frailty: A Proven Model in		Prasert Assantachai		
13:30 - 14:00			President, Thai Society of Gerontology and Geriatric		
13.30 14.00	Bangkok		Medicine, Faculty of Medicine Siriraj Hospital,		
	_		Mahidol University, Thailand.		
14:00 - 14:30	Optimizing Diet and Nutrition for the		Wen-Harn Pan(潘文涵)	*	
	Prevention and Management of Geriatric Syndromes: Insights from Taiwan		Professor, School of Public Health and School of		
14:30 - 14:50	Syndromes. Insights from farwari		Nutrition, Taipei Medical University, Taiwan Q&A		
14:50 - 15:10	Break				
		Moderators:			
Sessio	ın II	Kuo-Chin Huang(黃國晉)			
Diets and Hea		Vice Superintendent, National Taiwan University Hospital, Taiwan			
Evidences fro	om Cohort	Hung-Yi Chiou (邱弘毅)	, , ,		
Studies i	n Asia	Director, Institute of Population Health Sciences, National Health Research		*	
		Institutes, Taiwan		_	
	Healthy Die	t for Better Well-being: How to	Rei Otsuka(大塚 礼)		
15:10 - 15:40	•	NILS-LSA Cohort Study to the	Professor, National Center for Geriatrics and		
	Community		Gerontology, Japan		
	Interleukin-6 Trans-Signaling, Autonomic		I-Chien Wu(吳易謙)		
15:40 - 16:10	Function and Change in Physical		Assistant Investigator, Institute of Population Health	*	
	Performance in Older Adults - A Window of Opportunity for Dietary Modulation?		Science, National Health Research Institutes, Taiwan		
	Nutrition and Cognitive Impairment in the				
16:10 - 16:40	Taiwan Initiative for Geriatric		Yen-Ching Chen(程蘊菁)	*	
	Epidemiological Research (TIGER): A 14-		Professor, Institute of Epidemiology and Preventive		
	Year Cohort Study		Medicine, National Taiwan University, Taiwan		
16:40 - 17:10			Tina H. T. Chiu(邱雪婷)		
		Diets and Healthy Aging – the	Associate Investigator, National Center for Geriatric	*	
	Tzu Chi Health Study		and Welfare Research, National Health Research		
17.10 17.20	Instit		Institutes, Taiwan		
17:10 - 17:30	Q&A Walcoma Dinner Party				
17:30 -	Welcome Dinner Party				

< Day 2: Sat. Nov.09, 2024 >

			Nov.09, 2024 >		
Time		Topic	Speaker		
14	a a sh (2)	Moderator:			
Keynote Speech (2)		Cheng-Chieh Lin(林正介)			
C		Vice President, China Medical University, Taiwan			
	Screening for (Mal)nutrition Risk to Improve the Health of Older Adults from		Heather Keller Professor, Schlegel-UW Research Institute for Aging		
09:30 - 10:30		nity to Hospital Settings, Best	and Department of Kinesiology & Health Sciences,	*	
	Practices and Lessons Learned		University of Waterloo, Canada		
10:30 - 10:45			Tea Break		
		Moderators:			
Session III From Basic to Clinical		Wayne Huey-Herng Sheu (許惠恒)			
		Vice President, National Health Research Institutes, Taiwan			
From Basic t		Yi-Ching Yang(楊宜青)			
Арриса	CIOII	Director, Department of Geriatric and Gerontology, National Cheng Kung			
		University Hospital, Taiwan		_	
			Richard Kwok		
10:45 - 11:15		(TBA)	Program Director, Population Studies and Genetics		
	(,		Branch, Division of Neuroscience, NIA NIH, United States		
	Improving S	afety for Nutrition & Hydration	Peter Lam		
11:15 - 11:45	Improving Safety for Nutrition & Hydration Delivery with IDDSI: The Myths, The Facts &		Chairperson & CEO, International Dysphagia Diet	*	
	,	The Science	Standardization Initiative, Canada		
	An Observational Study Assessing the				
11:45 - 12:15	Impact of Multidisciplinary Team Care and		Meng-Chuan Huang(黃孟娟)	*	
	-	unseling on Stroke Patients at	Professor, Department of Nutrition & Dietetics,		
	Risk of Dysphagia: Experiences from a Medical Center in Southern Taiwan		Kaohsiung Medical University Hospital, Taiwan		
12:15 - 12:30	Q&A				
12:30 - 13:30	Lunch				
		Moderators:			
		Meei-Shyuan Lee(李美璇)			
	- N/	Professor, Department of Public Health, National Defense Medical Center, Taiwan			
Session IV		Shih-Yi Lin (林時逸)			
		Director, Center for Geriatrics and Gerontology, Taichung Veterans General			
				*	
12,20 14.00				*	
13:30 - 14:00		Hospital, Taiwan	Noriko Satoh-Asahara(浅原 哲子)	*	
	Th - D	Hospital, Taiwan (TBA)	Noriko Satoh-Asahara(浅原 哲子)		
14.00 - 14.30		(TBA) f Oral Health in the Association	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan		
14:00 - 14:30	of Nutrition	(TBA) F Oral Health in the Association al Status and Frailty: Experience	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞)	•	
14:00 - 14:30	of Nutrition	(TBA) f Oral Health in the Association	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population	•	
	of Nutrition fi A Modifia	Hospital, Taiwan (TBA) F Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute,	•	
14:00 - 14:30 14:30 - 15:00	of Nutrition fi A Modifia	Hospital, Taiwan (TBA) F Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China	*	
14:30 - 15:00	of Nutrition fi A Modifia	Hospital, Taiwan (TBA) F Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan	•	
14:30 - 15:00 15:00 - 15:15	of Nutrition fi A Modifia	Hospital, Taiwan (TBA) F Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A	•	
14:30 - 15:00	of Nutrition fi A Modifia	Hospital, Taiwan (TBA) f Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older Taiwanese	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30	of Nutrition fi A Modifia Index (HAI	Hospital, Taiwan (TBA) F Oral Health in the Association al Status and Frailty: Experience rom the HALST Study Able Healthy Ageing Nutrition NI) Predicts Longevity in Older Taiwanese Moderators:	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio	of Nutritions fi A Modifia Index (HAI	Hospital, Taiwan (TBA) f Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older Taiwanese Moderators: Ding-Cheng Chan (詹鼎正)	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio Cardiometabol	of Nutritions fi A Modifia Index (HAI	Hospital, Taiwan (TBA) f Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older Taiwanese Moderators: Ding-Cheng Chan (詹鼎正) Superintendent, National Tai	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio	of Nutritions fi A Modifia Index (HAI	Hospital, Taiwan (TBA) f Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older Taiwanese Moderators: Ding-Cheng Chan (詹鼎正) Superintendent, National Tai Yi-Chia Huang (黃怡嘉)	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio Cardiometabol	of Nutritions fi A Modifia Index (HAI	Hospital, Taiwan (TBA) f Oral Health in the Association al Status and Frailty: Experience rom the HALST Study able Healthy Ageing Nutrition NI) Predicts Longevity in Older Taiwanese Moderators: Ding-Cheng Chan (詹鼎正) Superintendent, National Tai Yi-Chia Huang (黃怡嘉)	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio Cardiometabol	of Nutritions fi A Modifia Index (HAI n V ic Risks and dification	Moderators: Ding-Cheng Chan (詹鼎正) Superintendent, National Tai Yi-Chia Huang (黃怡嘉) Professor, Department of Nu	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio Cardiometabol	of Nutritions fit A Modifia Index (HAI In V ic Risks and dification Prospectiv Diet with	Moderators: Ding-Cheng Chan (詹鼎正) Superintendent, National Tai Yi-Chia Huang (黃怡嘉) Professor, Department of Nure Association of the Portfolio All-Cause and Cause-Specific	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break Wan University Hospital Bei-Hu Branch, Taiwan ttrition, Chung-Shan Medical University, Taiwan Kenneth Ka-hei Lo(羅家禧) Assistant Professor, Department of Food Science	•	
14:30 - 15:00 15:00 - 15:15 15:15 - 15:30 Sessio Cardiometabol Behavior Mo	of Nutritions fit A Modifia Index (HAI In V ic Risks and dification Prospectiv Diet with	Moderators: Ding-Cheng Chan (詹鼎正) Superintendent, National Tai Yi-Chia Huang (黃怡嘉) Professor, Department of Nu	Noriko Satoh-Asahara(浅原 哲子) Director, Kyoto Medical Center, Japan Shu-Chun Chuang(莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan Yi-Chen Huang(黃怡真) Associate Professor, Department of Nutrition, China Medical University, Taiwan Q&A Break Wan University Hospital Bei-Hu Branch, Taiwan trition, Chung-Shan Medical University, Taiwan Kenneth Ka-hei Lo(羅家禧)	•	

16:00 - 16:30	The Associations of Body Weight and Weight Change for Mortality Risk, Cardiometabolic Disorders Controls, and Physical/Mental Function Decline in an Older Adult Population: Trade-off between Risks and Benefits.	Shao-Yuan Chuang (莊紹源) Investigator, Institute of Population Health Science, National Health Research Institutes, Taiwan	
16:30 - 17:00	Nutrition and Self-management Behaviors on Healthy Aging in Community-dwelling Older Adults: Evidence in National Longitudinal Population-based Cohort Studies	Wen-Chun Liao(廖玟君) Professor, School of Nursing, China Medical University, Taiwan	
17:00 - 17:15	Q&A		
17:15 - 17:30	Award and Closing Remark
